

TULSA MUM SHOW OPENS UP TODAY

Plants in Bloom to Be
Dressed Up at City
Hall.

SEE CITY OF FLOWERS

Show Is Part of Plan to
Promote Botanical
Progress Here.

The annual chrysanthemum show which the Tulsa chapter of the American Horticultural society is sponsoring at the city hall today, is one of the most popular of the city's annual events. The show is open to the public from 10 o'clock to 6 o'clock, and the entrance is free. The show is a part of a plan to promote botanical progress here, and the city hall is being decorated with plants in bloom.

An Array of Beauties.

It would be hard to keep "mum" about the beauty of the "mum" selected for the show. They are remarkably diversified in color, shape and size, ranging from the stately, tall specimens with heads measuring five inches to the delicate baby blossoms of the Button chrysanthemum and varying in color from dazzling white to rich golden yellow and rose-purplish. The different members of the chrysanthemum which will be represented will be the Christmas Gold, Peter Pan, French Beau, Western Beauty, Mrs. Doty, Graystone, Emma, Monna Godfrey, Button, Feisty, Hilda Canning, Major Ben, Timothy Eaton, Golden Chadwick and Bonafant. The flowers will be labeled.

Final plans for sponsoring the annual show were made at a special meeting of the Tulsa Civic league yesterday afternoon in the public library. The committee appointed to act as hostesses at the show and to serve punch on Tuesday afternoon were Mrs. Dick Saye, Mrs. M. W. Ballew, Mrs. G. J. Patterson and Mrs. M. F. Edwards and on Wednesday afternoon Mrs. E. L. Merry, Mrs. Shada Grommet, Mrs. S. R. Lewis and Mrs. Paul Blackwelder. Mrs. Ballew and Mrs. Lewis will be assisted in serving Tuesday and Wednesday evenings by young ladies.

A novel combination includes in a single piece of furniture a bed, wardrobe, dresser and washstand with a water tank for supplying the latter.

Why Teeth Stain

You leave a film-coat on them

Most teeth are dimmed more or less by a film. Smokers' teeth often become darkly coated.

That film makes teeth look dingy, and most tooth troubles are now traced to it.

Millions now combat that film in a new, scientific way. This is to offer a test to you, to show the unique results.

You must end film

The film is viscous—you can feel it with your tongue. It clings to teeth, enters crevices and stays.

Ordinary brushing methods leave much of this film intact. So millions find that well-brushed teeth discolor and decay. You must attack film in a better way, else you will suffer from it.

It is the film-coat that discolors, not the teeth. Film is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea.

Pepsodent
The New-Day Dentifrice

A scientific film combatant, combined with two other modern requisites. Now advised for daily use by leading dentists everywhere. Supplied by druggists in large tubes.

Efficient ways

Dental science, after painstaking research, has developed effective ways to fight film. The world's highest authorities now approve them, after careful tests.

These ways are combined in a dentifrice called Pepsodent. And leading dentists everywhere now advise its daily use. A ten-day tube is being sent to everyone who asks.

Watch these new effects

One ingredient is pepsin. One multiplies the starch digestant in the saliva to dissolve the starch deposits that cling. One multiplies the alkalinity of the saliva to neutralize mouth acids as they form.

Two factors directly attack the film. One keeps the teeth so highly polished that film cannot easily cling.

Pepsodent has brought a new era in teeth cleaning. It fights the tooth destroyers as was never done before.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the slimy film. See how teeth whiten as the film-coat disappears.

You will always brush teeth in this new way when you watch the results for a week. Cut out the coupon now.

Women's Bank Plans to Aid Sisters Going Into Business

Mrs. B. M. Shover, standing, and Mrs. L. Edna Hawman.

The Women's bank of Philadelphia, which is officered and "managed" by women, is in process of organization. The bank's main object will be to aid women who want to go into business for themselves. Mrs. Bessie M. Shover, secretary of the law school at the University of Pennsylvania, and Mrs. L. Edna Hawman are two of the pioneer workers in the project.

Begin Right Now to Conquer Your Rheumatism

The tiny pain demons that cause your Rheumatism will be back on the job with the first approach of damp, wintry weather, ready to take up their battle against your comfort with renewed fury.

And if you are going to again rely upon the liniment bottle to try to rub the disease away, you will be doomed again to nothing but disappointment. A disease that can cause so much pain and suffering as Rheumatism, is not on the surface of the skin, and cannot be rubbed away.

Many forms of Rheumatism are caused by a tiny disease germ in the blood, and in such cases the only logical treatment is to search out and remove these germs from the blood.

A Gift

A 10-Day Tube of Pepsodent is sent to all who ask. See coupon.

RED CROSS HAS \$9,300

Officials in Charge of Campaign Believe Quota Will Be Subscribed

With West Tulsa and most of the residence district yet to hear from total subscriptions of approximately \$9,300 were reported at Red Cross headquarters. Monday night the roll call will be successful in producing the quota of \$10,000 assigned to Tulsa is the expectation among those in charge of the drive.

Mrs. William D. Godfrey, 314 South 14th, reported Monday night that the residence district solicitors will be in charge of the parent-teacher associations of the various schools.

CRIME WAVE IN ST. LOUIS

Seven Fatalities Since Sunday Evening

St. Louis, Nov. 22.—The man shot to death early today in a road house in St. Louis county, was identified this evening as Ben Miller, 32-year-old, who was released from the federal penitentiary at Port Jervis, N.Y., by President Wilson last September.

Miller was reported after serving a 14-month term of a five-year sentence on a charge of robbing an interstate shipment.

It was the second day and was killed in a revolver fight, in which two others were wounded. Several persons under arrest in connection with the affair, deny knowledge of it.

A company has been formed to search for deposits of uranium in the Mexican state of Chihuahua, where traces of the metal have been discovered.

Sand Springs Notes

SAND SPRINGS, Nov. 22.—The Sand Springs Home has added 10 head of pure bred Holstein cattle to the 100 already in the herd, and now claims one of the best dairy herds in the state. For Thanksgiving the home expects to welcome back a number of the former children of the place, and also the "home grandchildren." Baskets are being sent to the widows' colony to provide them with a Thanksgiving dinner, one going to each house in the colony.

Mrs. T. P. Allison is entertaining her mother, Mrs. Blodson, of Mulberry, Ark. Mrs. Blodson will be a guest at the Allison home for the winter.

Charles Parker and family will move to Ohio within a short time. Mr. Parker has already gone to Ohio to arrange for the transfer of his business, which he sold in this city.

The city library board and the

to work today after an extended absence due to ill health.

Veron Smith, of the Home Interiors department here, returned Monday night after a short absence to Sand Springs, Okla., where he is now on a business trip.

Approved of one of the standard systems will be invited to enter and manage the performance.

Mother's prayer meeting will be held tomorrow at the home of Mrs. O. A. Giles, living on Cleveland street.

The missionary society of the Methodist church will meet at the home of Mrs. James Thompson next Friday for their regular meeting.

On Wednesday of this week the Ladies Aid will meet in the church parlors.

Mr. and Mrs. Henry Bales are entertaining Mr. and Mrs. Blodson, from the parents of Mrs. Bales, from Tulsa, Okla. The Bales are moving to Nowata, and will be in this city for Thanksgiving.

Mr. and Mrs. E. A. McDougal, of 324 McKinley street, have rented

their home here and are moving to Sand Springs.

Mrs. K. Y. Stett, of Broken Arrow, has been the guest of her daughters, Mrs. Sampson and Mrs. McDougal, during the past week.

Mrs. Kathleen Alton has been in Elk City, Okla., visiting her parents for a few days.

Mrs. Burnett Hall was called to Tulsa, Okla., yesterday to attend the funeral of one of her former classmates at the school in that city.

Miss Kathleen Hodges, who was a pupil at the Tulsa school, and later entered Indiana Stanford university, where she became pointed by improper vaccination and died at the college. Mrs. Hall has been asked to be a pallbearer for the deceased and has gone to the funeral with that request. The death of this young girl has caused great sorrow to her many friends, and it is with the greatest of pain that they have heard of her fatal illness.

Are the men
on your gift list
worth remembering

Any man will know that you are really thoughtful of him—that you want the gift you present him to represent you worthily—when he receives a Gillette Razor for Christmas.

The styles described and illustrated here will help you in finding the one right Gillette for him.

Take this page with you to the store and ask to see the Gillette you know he will like.

As a thoughtful, inexpensive remembrance, buy him a packet or two of useful GILLETTE BLADES.
